SECURITY RATING 3
CERTIFICATE NO. 312E/02/03

Door leaf manufactured from 1.5mm Zinc Coated Steel folded to a leaf depth of 66mm

Frame manufactured from 2mm Zinc Coated Steel to a frame depth of 110mm

Re-inforced Locking Area with Leading Edge Anti- Pry Strip

6 x Grade 13 Stainless Steel Hinges &
9 x Solid Steel Dog Bolts

The Bradbury M2M³ Door Range offers an unrivalled selection of certified high security single and double steel doors suitable for all personnel, fire exit and utility (substation) applications.

The range has been tested and certified by the LPCB (Loss Prevention Certification Board) to LPS 1175 Security Rating 3. Testing involves simulated deliberate forced entry over a period of 20 minutes with a range of tools including a power drill, crow bar, axe, scissor jack and cold chisel.

M2M³ represents the largest range of LPCB Level 3 certified doors available in the UK. The wide choice of Level 3 hardware options enables doors to be tailor made to individual customer requirements with the assurance of LPCB Level 3 certification.

NOTE: ONLY DOOR SIZE AND HARDWARE COMBINATIONS THAT HAVE UNDERGONE AND PASSED THE RIGOROUS LPCB TESTING PROCEDURES AND RECEIVED CERTIFICATION TO LPS 1175 SECURITY RATING 3 CAN BE CLASSIFIED AS LEVEL 3 DOORS.

M2M³ Key Features

Internal Reinforcing System - unique to M2M³

Hinge Chassis System - situated in the door frame to provide increased rigidity in the hinge area and integral mounting plates

Triple Protection Anti-Pry Frame Profile - for defence against attack with a crow bar or other similar lever type implement

Comprehensive range of tested and certified hardware, external access options, punched louvres, and vision panels (including DDA compliant vision panels)

Fast Turnaround - within 15 days of receipt of order confirmation subject to hardware availability

M2M³ Certified Locking Systems Include

- 16 point Locking
- Single, two and three point locking ranges
- Bradbury 4 point locking system
- Panic hardware - pad/bar/lever handle
- Access control options
