BULLETIN

Wessex Doors is Europe's largest manufacturer of low maintenance GRP (Glass Reinforced Polyester) garage doors and a leading innovator in the field of garage door design.

W I D E THE NEW RIPON !

The Ripon is a new addition the Wessex 3,4,5 Crown range of garage doors. Wide board designs are increasingly popular for their contemporary proportions and the Ripon does it with style!

The extra deep 'V' grooves are at 280mm centres and produce the attractive wide board effect with the classic advantage of GRP - no joints to warp or split!

The Ripon is available in all sixteen classic Wessex woodgrain colours including the new Anthracite Grey and in sizes is 5'10" - 16'0" Wide x 5'10" - 7'6" High.

For full details of the Wessex 3,4,5 Crown range just call **01942 832 355** or email info@wessexdoors.co.uk.
